

STATEMENT OF PURPOSE

RS28097 / S1123

This proposal would convert Lava Hot Springs Foundation to a continuously appropriated account. This action would treat the Foundation like other similarly situated organizations. It would benefit the Foundation by allowing it to more quickly respond to needs using its dedicated fees while still retaining legislative oversight.

FISCAL NOTE

This bill would have no impact on the General Fund; it would save the Foundation approximately \$1,000 in dedicated funds associated with travel to Boise and other state-mandated budget submission and presentation requirements.
